Director*

Dear Member of the Jefferson County Community,

Have you ever wondered how you could have an impact on the life of a child in need? Do you find yourself feeling helpless and unable to conceive of how you can help change the life of a child in crisis? There are currently over 700 children in the Jefferson County foster care system who need someone to be on their side and speak up for them. They are the innocent victims in a situation beyond their control. *CASA is* their voice. CASA of Jefferson County recruits, trains and supports community volunteers who advocate for abused and neglected children in the Jefferson County Family Courts. The goal of CASA of Jefferson County is to expand and provide a voice for as many of these children as possible.

In order to work toward accomplishing this goal, CASA of Jefferson County relies on grants, fundraising, and tax-deductible charitable donations from individuals and businesses. Since its foundation in 2012, CASA of Jefferson County has been actively working to secure and maintain the revenue needed to support the organization. CASA of Jefferson County is a 501c-3 non-profit organization and Champions for Children Charity which allows donors to receive additional tax credit for 50% of qualified contributions.

We are currently seeking sponsors and donations for our **6th Annual Gala for Children** on Saturday October 15, 2022. All sponsorships will receive recognition on our website and in local newspaper publications in addition to the benefits outlined at each sponsorship level.

If you have an interest in the needs of abused and neglected children in our community, please consider supporting our efforts to be a voice for these children. Enclosed is information about our upcoming event and the options for sponsorship. If you would like more information about volunteering with the organization, please contact us at or 636-789-1766/info@jeffersoncountycasa.org or explore our website at www.jeffersoncountycasa.org.

With sincere thanks,

CASA of Jefferson County Board of Directors
